Conveyancing

This time we have a number of charity lots from the local branch of SENSE, a charity which supports (primarily) the deafblind and others with a disability.

These have been inserted at the front of the catalogue to keep them together, so please have a look and hopefully, you will find something amongst them which will enable you to give them a little support.

The rest of the auction makes up a total of 350 lots – and it looks to be a fairly mixed bunch, save that you will find that several Vendors look to have been sorting out the same countries simultaneously, so that there are small clumps of Monaco, Luxembourg and one or two others.

I have a list with no name on it again (but at least I have a list, so it is not too problematic). If you are the person that gave me material in some ladies shoeboxes etc, please let me know who you are. By the time that I come to type up the lots, I may not remember who handed them to me, as I can pick up lots from 5 or 6 people at the same time now that we have fortnightly meetings.

As usual:-

a) if you cannot get to the auction, or may get there late, we can bid on your behalf, but if possible, bids should be made at least 24 hours before the start of the auction. Please place bids on a book bid form, but if that's not possible, please give me a ring or send an e-mail. My e-mail address is on the last page of the catalogue. *Note: You would be better off using the @whss one as the other one is restricted to my phone for most of the week.*

b) descriptions are primarily those supplied by the Vendors (except where the auctioneers have expanded them in the interests of clarity or to point out faults which they have found but which were not mentioned by the Vendors). See above.

Please remember that, unless otherwise shown, all prices shown in the last column are **reserves**, the lowest price at which the lot will be sold.

**Bidding steps:-** These are at the discretion of the auctioneer, but the normal steps will be:-

Up to £2 – in steps of 10p

£2 to £5 – in steps of 20p

£5 to £10 – in steps of 50p

£11 to £50 – in steps of £1

£50 to £100 – in steps of £2

£100 upwards – in steps of £5 or at the auctioneers discretion

~~~~~ End of Room Auction ~~~~~

If members are unable to attend the auction, they may forward book bids to the auctioneer. Please complete the Book Bid form available on the viewing night. Please ensure that your bids are received **at least 24 hours before the auction** to be certain that they are entered.

Payments may be made in cash (right money appreciated) or by cheque to made payable to **Eastbourne and South Downs P. S.** or if you'd prefer just to **E.& SDPS**

The club generally holds 6 auctions a year, so we are always in need of material for sale. Guidance in putting together lots appears in the Society's handbook. **Would all Vendors please check this.** In particular, Vendors are reminded:-

- a) of the necessity to use the proper forms (or something very similar to it) when submitting lots.
- b) to try and give a genuine and accurate description of the lot – including details of flaws, rusting, corners missing, lack of gum on a mint stamp etc.
- c) to ensure that each lot submitted has a panel or cover which would allow a lot number to be affixed without damaging the lot, and
- d) to submit lots which are not overflowing (boxes), likely to shed material (loose in albums) etc, etc.
- e) that there is a £1 minimum except for stamp catalogues which can be entered with a minimum of 50p
- f) sometimes, if there is surplus material, lots could be held over to a subsequent auction. This will likely affect you only if you submit a large number of lots all at once – or submit them late.
- f) that packet-type material should not be sealed so as to deny inspection.

If you require further advice, please speak to one of the auction organisers/helpers

**Additional notes.**

- a) Auction material can still be handed to one of the auction organizers at Thursday meetings. The existing form can be used (although see (b) below). Material needs to be handed to Richard Robbins or Tim Griffiths, one of whom will, barring disaster, be present at the usual 7.15-7.30 time.
- b) For those that would prefer to type their lists for sale rather than handwrite them, this will be actively encouraged. Tim can send you an e-mailable form that will be in the same layout as the auction catalogue. This will save him having to type it too! The e-mail address to use is either [timshorts2@gmail.com](mailto:timshorts2@gmail.com) or [tim.griffiths@whss.co.uk](mailto:tim.griffiths@whss.co.uk).
- c) Material can also by arrangement be handed to one of the organizers elsewhere on request.
- d) Packet-type material should not be sealed so as to deny inspection, please.
- e) There is a reminder below for Vendors re payment and collection of unsold material

**~~~~~ Next Auction: Thursday 23rd January 2025 ~~~~~**
